

BRAINSTORMS

With Ferrin Cox.

We started the year off in style around THE ELBA CLIPPER. For several weeks we had been holding some pictures made at the National Guard Christmas dinner until we could really use a spread of photos and had set the New Year week as "the time." We did what we thought was a real good job and just sat back and waited for the flood of "thank you's" but that ain't exactly how it happened. Sgt. Albert Reeves called and fully utilized his years of army sergeant training to cut me up and spit me out in little bite size bits. If it had not been me getting the chewing, I could have sat back and admired the professional tongue lashing he was dishing out. Reeves felt we had not given enough details about the awards presented to him at the dinner. As he said of one of the awards, "That can come to a person only once in a lifetime and you hardly mentioned it." Albert Reeves used to say we were his friends but last Thursday it wasn't exactly that way and the bad thing is he assured me that Albert Reeves wouldn't be calling asking us to do any more write-ups on him. With Sgt. Reeves retiring in March, that leaves hardly enough time for him to get over being mad so he just may be right about that. I hope not 'cause he is a nice person and even chewed me out without one word of "ruffiany!"

Apparently the Elba City Council is going to add a one cent sales tax in the near future. None of us like taxes but if we are going to dance we must pay the fiddler. Every day local citizens are demanding more services and the cost of current services are continually rising due to this never ending inflation. Most of us support it with, "cut out the unnecessary spending," and this always means doing something in any organization.

However, when we look at a government organization, we all have different ideas of what is necessary. A person with very little garage doesn't care if it is picked up once a week or twice a week but may want increased police and fire protection because of property owned. Another person may scoff at spending money on drainage problems because this person lives in a high, well-drained area. When it is all put in one pile, there is not enough money to go around. I accept the decision of the city fathers to add the tax but urge them to set up long range plans and reserves. It will be real easy to start spending money left and right and pretty soon be in the same shape they are today.

In years past I have suggested that part of the sales tax money each month be put into a capital improvement fund and used for matching federal grants to construct such things as libraries, airports, streets, recreation facilities, etc. Once for a few months this was done, but then someone suggested they "borrow" from this fund and it was soon gone for good.

Coffee County politics are already beginning to rumble with an election coming up in May. A newcomer to politics called this week making plans for some candidate cards. With just half of the people who say they are going to run actually making the starting gate, this promises to be a banner year for having a wide selection of people to vote for in county races.

All the talk back and forth about the high school football coach has come down to the Thursday night (tonight) meeting of the Elba School Board. The Board has indicated it will make a decision at this meeting and all the fussing will be over (I hope).

I plan to cast my vote Tuesday on the amendments. Right now I think my vote is settled. I will vote yes on the statewide amendments and yes on the local amendments that allow the approval by electors of the Board of Education. I will vote against the three that do not allow the voters in the affected county to veto the change. Number 1, 2 & 3 are bond issues for mental health, a seed building at Auburn and another at Headland, an aviation museum at Ft. Rucker and a motor sports hall of fame at Talladega. I will vote YES on all of these.

Four is a money and time saving amendment concerning the Legislature itself and is a good idea. I vote YES. Five limits the amount of indebtedness a county can have to 5% of its vote. I vote YES.

Six and Seven are local and the voters in that county have the right to turn it down. Therefore I vote YES on these. The same results can be gotten by not voting on these.

Eight, Nine and Ten don't allow the affected counties veto of the measure. I will not force change on them in their terms affairs. I vote A BIG NO on these three.

Eleven through Eighteen are all local amendments and allow the voters in the affected city or county to turn them down. I will vote YES on these.

Will Increased

Postal Rates

Mean Better

Service?

Congressman Dickinson

By now you've probably had to cough up 13 cents to mail a first-class letter and, to put it mildly, you're not too happy about it. Especially if it is a bill payment and the extra three cents won't mean any better service.

Certainly, one of the major disappointments of this decade is the poor cost and efficiency record of the Postal Service since the old Post Office Department was reorganized and since "independent" financial status. This reorganization in 1970 was designed to eliminate the influence over the postal rate-making process by the Postal Service. Unfortunately, this reform "looked better on paper" than it has in practice. Congress is attempting to take action on the Postal Service and House recently voted to require the Postal Service to start spending money left and right and pretty soon be in the same shape they are today.

In years past I have suggested that part of the sales tax money each month be put into a capital improvement fund and used for matching federal grants to construct such things as libraries, airports, streets, recreation facilities, etc. Once for a few months this was done, but then someone suggested they "borrow" from this fund and it was soon gone for good.

SENATOR SPARKMAN ANSWERS QUESTIONS

DEAR SENATOR SPARKMAN: I feel it is about time our government made every effort to drastically cut spending and seek a balanced budget. What is your opinion? B. F. Mohle

SPARKMAN: I agree that we must make every effort to balance our budget, but there are times such as the present when a balanced budget could cause greater economic harm. Should we reduce spending so drastically now, it could cause further unemployment. For each percentage point the unemployment rate rises it costs the federal government \$10 billion in lost tax revenues and government makes every effort to drastically cut spending for services. There is a fine line that we must draw between overspending, which would stimulate inflation, and in underfunding, which would cause additional unemployment. I hope that we can hold the line.

LETTERS TO THE EDITOR

Dear Ferrin: Let me take this opportunity to thank you and all the wonderful people of Elba who had a part in making this past year, and our Christmas at the nursing home one of the best.

To the Clipper for all the coverage of special events; the area churches and their ministers for their devotion to our church services, and remembering at Christmas with gifts, to the garden clubs who furnished all of our decorations and the useful gifts; our faithful volunteers, Mrs. Leonora Kennedy, Mrs. Eva Deal, Mrs. Hazel Lee, Mrs. Dorothy Mills, Mr. and Mrs. John D. Lowery for their untiring devotion each week to the many people who have made contributions to our BINGO games and our Activity Program, and to our Girl Scout troops, cub scouts, and Brownie troops who, throughout the year, have been an inspiration and joy to the residents by their visits.

We are indeed fortunate to have people who are concerned for our senior citizens, and for this we are grateful.

The residents and staff extended best wishes for a prosperous New Year.

Sincerely,
ELBA NURSING HOME

ISSUES IN STATE GOVERNMENT

by Lt. Governor Jere Beasley

BUDGET CONTROLS

The State of Alabama is currently operating on an annual budget for the first time in the state's history. This means that the Legislature, because of annual sessions, will be meeting again in 1976 to pass a budget for the fiscal year beginning on October 1, 1976.

A special budget-control subcommittee started work several weeks ago in preparation for the budget hearing and the legislative session that follows. It has been estimated by the subcommittee that the state budget for the next year will fall some \$150 million short of demands on the state treasury.

This, of course means either (1) tax increases, or (2) cutbacks in existing programs. I personally feel that no new taxes or increases in existing taxes should be enacted at this time. The only alternative left is to cut the "fat" out of the existing state programs. Total revenues coming in to the state treasury from State sources only for the current fiscal year should amount to \$2.1 billion. It is anticipated that this amount will increase to \$2.3 billion for the fiscal year 1976-77. In my judgement, this should adequately fund all "needed" state programs.

The budget-control subcommittee, aided by a task force from the Department of Examiners and personnel from the Legislative Fiscal Office, are presently

making the most detailed financial investigation ever attempted into state departments, agencies, boards, commissions and educational institutions. The work of the subcommittee is designed to bring about a better system of accountability and more controls over state spending. This study will not only lead into the badly needed state reorganization project.

The members of the subcommittee are: Lieutenant Governor Jere Beasley, Chairman of the Finance and Taxation Committee, Dick Owen; Chairman of the Ways and Means Committee, Hugh Merrill; Senator Bob Wilkerson; and Representative Chris McNair. Senator Pat Vacca and Representative Bishop Barron, from the Legislative Committee on Public Accounts are also working on the project.

I feel that the work which has been done will have the support of most Alabamians who have long felt the need to determine how well their money is spent.

A. If you are traveling through Canada and another State and an emergency puts you in a Canadian hospital, Medicare can help pay for the covered services you receive. Otherwise, Medicare generally does not cover hospital care you receive while you are traveling outside the United States.

Q. My husband, who's 47, has kidney failure. He's going to a social security office next week to apply for Medicare. If he's eligible, will our children and I also be eligible?

A. No, not unless you too have permanent kidney failure. Under the kidney disease provision of the law, only the person who is eligible for Medicare.

Q. I worked for the railroad for 9 years before I quit and took a job that's covered by social security. I've held that job for 30 years and soon I'll be retiring. Will I get both a railroad retirement annuity and social security benefits?

A. Since you worked for the railroad for less than 10 years, you will not be eligible for a railroad retirement annuity. Your work for the railroad will be combined with your work under social security to figure your social security benefits.

Q. I recently saw an ad for a book which sells for \$4 and is supposed to have "secret" information about social security. Should I buy it?

A. Whether or not you buy the book is your decision. But if the ad suggests that the book contains "secret" or "inside" information, the advertising is false. No advertiser has access to other people's social security records. They're confidential under the law. You can get free, accurate publications about social security simply by calling any social security office.

Q. My mother is going to apply for supplemental security income payments, but she needs financial help. Is there some place she can get immediate assistance?

A. When your mother applies for supplemental security income, she should tell the people at the social security office that she needs immediate financial help. Under certain conditions, an advance payment of up to \$100 can be made. In addition, the social security representative may be able to refer her to a State agency for assistance during the time her application is being processed.

Q. I belong to a travel club, and quite a few of our trips are abroad. I've often wondered what would happen if I got sick on one of these trips. Does my Medicare cover care in foreign hospitals?

A. If you are traveling through Canada and another State and an emergency puts you in a Canadian hospital, Medicare can help pay for the covered services you receive. Otherwise, Medicare generally does not cover hospital care you receive while you are traveling outside the United States.

ATTEST:
Mrs. Agnes Baggett
Secretary of State

STATE OF ALABAMA
A PROCLAMATION
BY THE GOVERNOR

WHEREAS, the Legislature of Alabama, at the Regular Session 1975 ordered an election to be held for the qualified electors of the State of Alabama upon a certain proposed amendment to the Constitution of Alabama which said amendment is herein set out, and ordered that the said election be held on the first Tuesday after the expiration of three months from final adjournment of the 1975 Regular Session of the Legislature of Alabama at which the amendment was proposed; and

WHEREAS, the first Tuesday after the expiration of three months from final adjournment of the 1975 Regular Session of the Legislature of Alabama will be and occur on January 13, 1976; and

posed amendment is required by law and by the provisions of the act submitting the amendment to be given by a proclamation of the Governor to be published in each county

in each county in the State of Alabama for four successive weeks next preceding the day appointed for the election;

NOW, THEREFORE, I, George C. Wallace, as Governor of the State of Alabama, do hereby give notice, direct and proclaim that on Tuesday the 13th day of January 1976, an election will be held at the several polling places within the State of Alabama in the manner and form provided by law upon the following proposed

"The Legislature may, from time to time, by general or local laws applicable to or operative in Blount County and approved by a majority of the qualified electors of Blount County, at a referendum, amend

tion, fix, regulate and control the costs and charges of court and the fees, commissions, allowances, and salaries, including the method and amount of their compensation, to be charged or received by the probate judge, the tax assessor, and the clerk of the Mount Pleasant County, may place any or all of such officers on a salary and provide for the fees, commissions, allowances, and percentages collectible by such officers to be paid into the treasury from which their salaries are paid.

When this amendment is approved and a majority of the qualified electors of the county vote thereon vote in favor of the adoption of this amendment when it is submitted, then any law heretofore passed which places

County on a salary basis, or any law fixing, regulating, and altering the costs and charges of court and the fees, com-

missions, allowances, and salaries of any officer in Blount county may become effective without any other election having been held thereon. In the event this amendment is approved and a majority of the qualified electors of said county who vote thereon vote against its approval, then such act or acts shall have no further force or effect."

Christmas Seals Still Fight Lung Disease

Now that Christmas is over many people probably will not think about Christmas Seals until they receive them again next year. But the work of the traditional little seal which has been fighting lung disease in Alabama since 1914, will continue throughout the year.

According to Mrs. Una Edwards, Coffee County Christmas Seal Chairman, Christmas Seals are best known for their fight against tuberculosis. "Christmas Seals came into being because of the need to raise funds to fight the dreaded disease," Mrs. Edwards said, "and that fight is still continuing. Alabama ranks fourth in the United States in the incidence of TB, a disease which was once called the 'White Plague'."

Mrs. Edwards also reminded persons who have breathing difficulties to enroll in the Alabama Lung Association's "Better Breathing Classes" scheduled to begin February, 1976. To enroll, write to Alabama Lung Association, Box 104, Dothan, Alabama 36301.

Working with Mrs. Edwards are Mrs. Luville Brunson, Dr. J. E. Pittman, Roy Shoffner, Tommy Johnson, Miss Tommy Bred, Sony Smith, and Mrs. Susan Summerlin.

County, but lived in California for 20 years. Mrs. Davis has one daughter, Grace Reed, of Santa Ana, California, and two grandchildren - Sheryl, age 20, and Terri Lynn, 17.

Here in the U.S.A. three good meals a day is expected by everyone. However, the number of meals eaten a day varies in different countries. Many people in Finland are said to eat only one meal a day, in other countries two meals are eaten, plus a cup of coffee.

For breakfast. And in some countries there are four meals daily. It is very important to get the nourishment necessary for health, regardless of how many daily meals you eat. Vitamin supplements are sometimes necessary for people who do not eat properly, or enough of vitamin-packed foods. The body throws off surplus vitamins, but hunger for the daily requirement.

THE XANTHINE OXIDASE THEORY

There is an old adage in politics that if you want to become known, attack a big issue or a highly placed person. Never mind the small fry. You've got to go after a champion if your name or your cause is to get any real attention.

Well, nowadays we know this tactic is practiced in many walks of life. And the result is the same even when well-intentioned persons support a cause—if that cause or theory threatens something well established or revered.

And so it is with milk, a food most respected. If you attack milk, you will make headlines.

MILK HAS in the last year or two been accused of causing heart disease—not because of its fat content, but because of an enzyme in milk called xanthine oxidase. Last spring one of the sensationalizing tabloids so prominently displayed in food stores publicized this theory, quoting Dr. Kurt A. Oster of Park City Hospital, Bridgeport, Connecticut.

Dr. Oster's theory—that the homogenizing of milk reduces the size of the xanthine oxidase molecule so that it can be absorbed in the intestine and ultimately be deposited in cardiovascular tissue where it causes heart disease—had not received that much attention in the scientific press.

But the national publicity recently prompted the Journal of the American Medical Association to warn doctors, generally, that the theory is unproven.

THE JOURNAL POINTED OUT that the xanthine oxidase hypothesis has been advanced by only one person and that much more research is needed. Particularly in urging research "taking advantage of newer methodologies of enzymology and immunology." The Journal authors described Dr. Oster's ideas as "tenuous and implausible."

For physicians, the AMA Journal specifically advised: "At this time it is far from an established fact that the drinking of homogenized milk contributes to mortality from coronary artery disease through the intestinal absorption of bovine xanthine oxidase. To advise the public to avoid homogenized milk or to boil milk to destroy the enzyme is, on the basis of the meager published evidence, unwarranted and unjustified."

Free Short Courses In Progress In Elba

The following short courses are being offered in Elba, during the months of January through March. There is no charge for any of them, and from 1 to 2 CEU credits may be earned, depending on the course.

REBEL TO REMEMBER

The Junior Class here at Z.C.S. is lucky to have as a member of their class a very cute and sweet guy named Danny Rushing. Danny is the 16-year old son of Mr. and Mrs. W. W. (Bud) Rushing of Route 5, Elba.

Danny is a member of the Beta Club and plays football and basketball for the Rebels. He enjoys hunting, swimming, and all sports.

Danny is known for his fantastic personality and always has a smile or good word for everyone. These qualities certainly make him a Rebel to Remember.

EDITORIAL

With the new year approaching us, we're sure many of you will be making New Year's Resolutions. But how many of you will keep them? Probably very few.

We know of some people who take the time around New Year's to really evaluate themselves. When they don't like what they see they resolve to turn over a new leaf, but before long it too is blown away by the winter's wind. This shouldn't be the case.

So this year when you look into yourself and you decide you're in need of improvement -- do something about it. If you make a New Year's Resolution stick to it. It's usually things that can help you if you carry them out.

SENIOR OF THE WEEK

Tim Sanders, son of Mr. and Mrs. Ray Sanders of Rt. 1, Jack, is the Senior of the Week. Tim is a very fine athlete who plays football and basketball. A valuable asset to both teams, Tim has won several awards such as Most Valuable Player in Football and Most Valuable Player in Basketball. He has played football 3 years, quarterbacking this year, and has played basketball for 6 years.

Tim also holds memberships in the Beta Club, Z Club, 4-H and is sports editor for the annual, and president of the Senior Class.

What Tim likes about ZC is that all the people are so nice and easy to get along with, and he says he loves all the teachers. The relationship between students and teachers is just great because the

teachers take time to understand according to Tim. To improve the school, he suggests everyone pulling together as one.

Tim's pet peeve is people that try to judge other people. He believes if they would stop and judge themselves they might think twice before they said anything.

Tim's future plans are to return to Prisco and live it up!

NEWS FROM THE YOUNG REBELS

The first grade students presented a Christmas Play for the Elementary School on Thursday, December 18. The play "Waiting for Santa" had many Christmas songs and some speaking parts. Santa Claus was played by Randy Wambles and the students had singing or speaking parts. Teaching first grade is Mr. Elizabeth Dyess.

GOVERNMENT CLASS PROJECTS

The 12th Grade Government Class, taught by Mrs. Pat Powell, recently did work on individual projects depicting something that has taken place since the birth of our nation. The projects ranged in variety from log cabins, to battle scenes, to flag history. Many students even dressed dolls in Early American clothing. These projects were a very important part of the student's grades and were judged by some of the faculty members. Pictured here are some of the projects.

SOIL FERTILITY
Coffee County is probably going to set some kind of record on the number of soil samples sent to the laboratory. Our farmers are more interested than ever, and our agricultural business people are getting much more involved in soil testing.

Just recently Mixon Farms in the Curtis Community sent in about 40 samples representing a lot of different fields. I was interested in the fact that most of their fields did not require any lime. Mack Donaldson and the Baileys have done an excellent job. The pH in most cases is over 6 which is very desirable.

POUNTRY LITTER
Researchers at the University of Florida recently used poultry manure as the only source of fertilizer on corn.

COFFEE CONSERVATION

By: Hughes, Faulk, & Clark

J. Vernon Martin has been named Director of the Soil Conservation Service's technical service center in Fort Worth, Texas.

The announcement came from R. M. Davis, administrator of SCS, an agency of the U. S. Department of Agriculture. Martin's appointment will be effective December 15.

He replaces William L. Vaughn who is retiring. Martin has headed SCS activities in Missouri since 1970, and has been headquartered in Columbia. Before going to Columbia in 1969, he was assistant state conservationist in Oklahoma, his native state.

The Fort Worth facility Martin will be heading serves the Soil Conservation Service in 12 southern states with technical, engineering, cartography, training and other services. Alabama is one of the 12 states. About 180 are employed at the center.

Martin will also be the SCS administrator's representative for the South. He is active in professional and conservation organizations, presently serving as president - elect of the Soil Conservation Society of America.

A native of Loco, Oklahoma, Martin was graduated from Oklahoma State University where he received a degree in Agronomy. He served in the Navy during 1945-1946.

Martin and his wife, the former Julia Anderson of Cushing, Oklahoma, have a daughter, Mrs. Lara Oster, who lives in Texas, and a son, Vernon D. of Brundage, Georgia and four grandchildren.

He will be replaced in Missouri by Kenneth G. McManus, assistant director of the technical center in Fort Worth.

granted to the undersigned on the 6th day of January 1976, by the Hon. James L. Sawyer Judge of the Probate Court of Coffee County, notice is hereby given that all persons having claims against said estate are hereby required to present the same within time allowed by law or the same will be barred.

Notes From THE BENCH

by Ricky Melorz Sports Editor

BOWL GAMES END GRID SEASON

Well, the long collegiate football season has finally ended, and with it came the annual bowl games, and the usual upsets. Of course the major upsets came in the Rose Bowl (UCLA over Ohio State) and the Fiesta Bowl (Arizona State over Nebraska), but minor upsets also occurred in the Gator Bowl (Maryland over Florida), Peach Bowl (West Virginia over North Carolina State), and Liberty Bowl (U.S.C. over Texas A & M.) I spent the holidays in Ohio with family, and spent much of my time in front of the tube watching the seemingly nightly array of bowl games.

Perhaps the most enjoyable game to me personally was Arizona State's 17-14 win over Big 8 co-champion Nebraska. Arizona State has been winning as many games in the past four years as any major college team in the nation, however, over Ohio State and the Fiesta Bowl (Arizona State over Nebraska), but minor upsets also occurred in the Gator Bowl (Maryland over Florida), Peach Bowl (West Virginia over North Carolina State), and Liberty Bowl (U.S.C. over Texas A & M.) I spent the holidays in Ohio with family, and spent much of my time in front of the tube watching the seemingly nightly array of bowl games.

Here are a few observations I jotted down while watching the games!

Best Game - Fiesta Bowl . . . Worst Game - Gator Bowl

Most Exciting Game - Rose Bowl . . . Best Comeback - Texas (Astro-Bluebonnet Bowl)

Other notes . . . Best Offensive Team - Pittsburgh (3 runners with over 100 yards rushing) . . . Best Defensive Team - Oklahoma . . . Most Surprising Team - Maryland . . . Most Disappointing Team - Florida . . . Best Offensive Player - Tony Dorsett (Pitt.) . . . Best Defensive Player - Dewey Selmon (Oklahoma).

ODDS-N-ENDS

"Ramblers have it that Arkansas coach Frank Broyles will retire and join the ABC broadcasting team. Broyles refused to deny the possibility, but said in an interview that he would announce his future plans soon.

"The latest joke is that the SEC must really be getting weak when Alabama is the only team to win a bowl game. By the way, Bear Bryant's old record of 8 straight bowl losses is in jeopardy. Florida's Doug Dickey has now lost six straight!

"SEC Commissioner Burt McWhorter is opposed to the SEC signing a bowl pact with the Sugar Bowl. McWhorter would like to see the SEC camp rotate between the Orange, Sugar and Cotton. If that agreement can't be reached, McWhorter wants the conference to start its own bowl with the champ as host in Birmingham.

"The Orange Bowl victory improved Oklahoma quarterback Steve Davis' record to 34-1-1. Even though Davis is a superb athlete, he isn't considering a pro career. He will enter the Southwestern Seminary in Fort Worth to begin studies to become a fully ordained minister.

"Wealthy alumni of Florida State University have come up with a unique way to get rid of a coach. The alumni have raised \$80,000 to buy out the remainder of the contract of coach Darrell Mudra. If Mudra refuses to take the money, but does resign, the group will donate the money to the football program last Sunday).

Kennedy Says "Gamecocks Have Problems, But Have Good 1A Team"

that we've got to be willing to work hard if we hope to win the area, region or state titles.

Kennedy added, "We could run up an outstanding record in the SEC, but I feel the experience we've got in playing bigger schools will show in the area tournament when we get back in our class."

"We've got a long road ahead," said Kennedy, "with Andalusia, Dothan, Elba, Florida, and Enterprise left on the schedule, but if we solve our problems we'll do okay!"

Kennedy reported that statistics for the initial 13 games show Billy Edwards leading in scoring with an 18-point average, followed by Frank Smith (13 pts.), Frederick Pruitt (11 pts.), Ray McClain (10 pts.), and Steve Purvis (7 pts.).

Edwards also leads in rebounding, with a 14.2 average, followed by McClain, with a 7.4 average.

When many people look at New Brockton's record, they say the Gamecocks aren't the team they were last year. This is true, but if New Brockton can solve their internal problems by season's end, look for them to be tuned up and ready to make a run at the State title.

Alabama has a deer population of over one million deer, but unless drastic measures are taken we stand to lose a great percentage of them. The first suggestion of most folks would be to stop hunting to save the deer but this is what has created the problem. For many years, we have instilled in hunters not to kill antlerless deer while the Conservation Department worked tirelessly to build up our deer herd. Now with the population at maximum capacity in some areas, there is a desperate need to thin the herd but politics and public sentiment are against the scientific knowledge of well-trained game biologists who are charged with the responsibility of protecting our wildlife.

The plight of the deer is similar to what happens when twenty-five cows are in a pasture that will support one hundred. Everything is o.k. until the herd reaches the maximum 100 cows but past that point problems start occurring. Disease, parasites, and starvation set in and what was once a beautiful herd of cattle now becomes a dying

1975 Rebel Cheerleaders

TSU PLACES SEVEN ON NAIA A-A LIST

Seven Troy State University football players have received honorable mention all-American honors from the National Association of Intercollegiate Athletics (NAIA).

Included in the group are three seniors - quarterback Bobby Lee of Lanett, offensive tackle Bill Gaither of Lanett and offensive guard Ronnie Hannah of Geneva.

Junior split end Perry Griggs, junior defensive lineman Charles Pickett and sophomore Billy Dixon and Rick Masey were also named to the list.

Lee completed 86 of 164 passes for 1,378 yards and was named the 1975 all-Gulf South Conference quarterback honors.

The 5-11, 190 pound signal caller ranks third in TSU's all-time passing list with 100 yards -- 2,856 of those yards came in Lee's final two seasons as a Trojan.

Gather and Hannah are both considered pro prospects. Gather stands 6-4 and weighs 240 pounds while Hannah is a 6-3, 230 pound guard.

Dixon, a tight end from Cordele, Ga., caught 17 passes for 320 yards and returned 11 kickoffs for 303 yards to also earn all-GSC honors along with Lee, Hannah & Griggs.

Griggs, the 1974 GSC player of the year, piled up 949 yards all-purpose rushing in 1975 and has a career total of 3,236 yards in that department.

Masey and Pickett, two Floridians, tied for defensive honors this year as both finished the campaign with 138 total defensive plays.

Masey, a linebacker of Occochee, led the Trojans with 75 individual tackles. He was also credited with 44 assists, one fumble caused, 18 sacks and three knocked down passes.

Pickett, an end from Jacksonville, was in on 64 individual tackles and led the team with 52 assists and 19 sacks.

Masses of flesh and bones. Some folks insist, "Leave the deer herd alone and Mother Nature will straighten it all out." This is true, but Mother Nature has a harsh way of dealing with her critters. Starvation and disease are not pretty sights. In some areas of the state full grown deer that should weigh 150-250 pounds are averaging 80 and 90 pounds this season because of the over population situation.

We are here for a major disaster with our deer population unless immediate steps are taken to correct this desperate situation. We, the sportsmen of this great state have got to take the initiative. How can you help? Join the Alabama Wildlife Federation at 600 Adams Avenue, Montgomery, Alabama 36104 and also include a letter supporting the recommendation of the Alabama Department of Conservation for an antlerless deer season in affected areas.

Unless you help, the abundance of deer we now have in our state will be nothing more than a memory of days gone by.

The annual Induction Dinner will be held February 13 at the Birmingham Jefferson Civic Center. Vetch said that Mrs. Leah Marie Rawls Atkins, the first woman inductee and Minter Carney (Jackie) Hayes, Harlan Jill, Bernice M. Moore, Truett Banks (Nip) Sewell and Rait Starr will be inducted as the Class of 1976.

Special Award Winners

ZION CHAPEL HOLDS ANNUAL FOOTBALL BANQUET

Zion Chapel High School held its annual football banquet on Dec. 15 at the Holiday Inn in Troy.

Mr. Douglas Green, the principal at Zion Chapel, opened the banquet by welcoming the players and guests. Green told the gathering that the purpose of the banquet was to show the school's and community's appreciation for the cheerleaders, players and others during the past season.

The guest speaker at the banquet was Rev. Silas Shepard. Rev. Shepard opened his remarks by telling jokes in a humorous way. He then presented several coaches, players and guests. After gaining everyone's attention with his humorous anecdotes, Rev. Shepard told the seniors that although they would soon be graduating, they must then enter the "school of hard knocks."

Rev. Shepard told everyone that life would be much sweeter if they would carry a "little honey" with them at all times. Following Rev. Shepard's remarks, the coaches presented the various awards and plaques.

Cheerleaders plaques were presented by Mrs. Mike Lindsey. Mrs. Lindsey thanked the girls for their hard work during the season and noted that even though the fans might lose hope, the cheerleaders always cheer on the players.

The Rebel cheerleaders for the 1975 football season were: Diane Stephens, Queenie Gattlin, Glenda Bedsole, Kaye Cotter, Belinda Bogar, Patty Nelson, Catherine McClain, Bernice Adair and Maxine Youngblood.

The Rebel coaches presented a plaque to each senior player in appreciation for their leadership and hard work. The seniors were: Paul Nelson, James Miller, Jet Moultrie, Randy Grant, Tim Sanders, Billy Flowers, Randolph Moultrie, Ricky Turner, Stanley Johnson, Kenneth McClendon, Earl Jirright, Thomas Arnold, Tracy Deal, Jimmy Lambert and Larry Pearson.

Coaches Hudson, Sanders, Lindsey and Grant next presented awards to the outstanding players. Players receiving special recognition were: Most Valuable Player - Tim Sanders.

Most Improved - Billy Flowers; Best Defensive Back - Randy Grant; Sportsmanship Award - Paul Nelson; Best Offensive Lineman - Tracy Deal; Best Defensive Lineman - Ricky Turner; and Most Exciting Player - Jet Moultrie.

Coach John Frank Hudson congratulated the special award winners, and thanked all the players for their hard work and dedication.

Coaches Hudson and Sanders were presented plaques by the players for their patience and for the many hours of hard work they put in on and off the field.

The banquet was ended with a prayer and the honored players spent time with the various photographers present.

MAN, WOMAN OF YEAR TO BE CHOSEN BY PILOT CLUB

The second annual Man and Woman of the Year Awards Banquet will be held on Friday night, January 23, 1976, at 7:30 at the Elba Country Club. The event is sponsored by the Pilot Club of Elba.

Mr. Sonny Inman will be Master of Ceremonies, and a musical program will be provided for entertainment. Last year's winners, Dr. James Clay and Mrs. Paul (Janet) King will present plaques to the new Man and Woman.

Judges will be from out-of-town.

Tickets are \$3.00 each and may be purchased through January 20 at the following locations:

Peoples Bank, Jewel Box, Bar & Printing, Skinner's Furniture Store, Big R, Westside Beauty Shop, Gussie's Beauty Shop, Bargaintown - and from any Pilot Club member.

Nominees are Mrs. Carolyn Brunson, Mrs. Syble Stivers, Mrs. Luna Dell Ringo,

Mrs. Kathy Smith, Mrs. Carrie Jacobs, Mr. John D. Lowery, Sr., Police Chief M. W. Johnston, and Dr. Donald H. Crook. Following is a resume of each nominee.

MRS. CAROLYN BRUNSON - Mrs. Brunson was nominated by the Magnolia Garden Club, of which she is secretary. She is a homemaker, the wife of Mr. Lister Brunson, and they have three children.

She is a member of the Elba Church of Christ, where she teaches 4th and 5th grades in Sunday School; is a member of the Elba Music Lovers' Club, and a member of the EHS Band Boosters, where she served as coordinator of the Calendar Sales for this school year.

Mrs. Brunson is Director of Public Relations for Teen Girl Scout activities; has been on the Board of the Elba Public Library since 1966, and was chairman of the Elba Le-

monia Drive in March of 1955.

MR. JOHN DANIEL LOWERY, SR. - Mr. Lowery was nominated by the Elba Lions Club where he is secretary and treasurer. He is married to the former Jimmie Barrow Tolison, and they have two married children.

Mr. Lowery is a retired business executive, and received his BA degree in Accounting at Troy State University after retirement. He is now in a private CPA career.

He is a member of the Westside Baptist Church, is a deacon and secretary of the deacon body, and teaches a Sunday School class at the Elba Nursing Home.

Mr. Lowery is a member of the Elba Music Lovers Club, and active in the Lions Club sight program, concerning applicants for free glasses and local sight problems.

MRS. SYBLE STIVERS - Mrs. Stivers was nominated

by the Business and Professional Women's Club, of which she is a member and served as president for 1974-75. Her husband is Mr. Art Stivers, and they have three children.

She is a member of Westside Baptist Church where she taught a Ladies Sunday School Class until last October when the church year ended.

Mrs. Stivers is a teacher at the Elba Middle School, and a member of several educational organizations; and is an active supporter of the Alabama Sheriff's Girls Ranch.

She is a charter member of the Pilot Club, which she served as president for 1974-75, and now is Coordinator of Internal Affairs Division; and is a member of Xi Alpha Eta Chapter of Sigma Phi Sorority, where she serves as Recording Secretary.

CHIEF M. W. JOHNSTON - Chief Johnston was nominated by the Business and Professional Women's Club. His wife

is the former Betty Chaney, and they have four children. He is Chief of Police of the City of Elba.

Chief Johnston is a member of the First Baptist Church where he teaches a 7th grade boys Sunday School class. He is chairman of the Elba Red Cross, and the Masonic Lodge.

He served in the U. S. Air Force for 24 years, and initiated the following in Elba: Project Help, Elba's Neighborhood Watch, and the Merchants Alert.

MRS. LUNA DELL RINGO - Mrs. Ringo was nominated by the Elba Music Lovers Club, where she is Treasurer. She is the widow of the late Mr. Price Ringo, and is retired. The couple had no children.

Mrs. Ringo is a member of the Elba United Methodist Church, where she has served on the Official Board for 30 years, and is president of her

Sunday School class.

She is treasurer of the Elba Study Club, a member of the Azalea Garden Club, Three-In-One Study Club, BFW Club, and Order of the Eastern Star.

Mrs. Ringo is president of the Elba Chapter of the American Association of Retired Persons, which she organized.

She was a nominee for Woman of the Year last year.

DR. DONALD CROOK - Dr. Crook was nominated by the Pilot Club; he is Chief of Staff at Elba General Hospital, a member of the American Medical Association, the Alabama Medical Association, and several other professional organizations. Dr. Crook is the father of three children. He is a member of the Elba United Methodist Church and sings in the choir there. He is a supporter of the Band Boosters and band activities; is game doctor at football games, and gives first aid

examinations to the football players.

Dr. Crook donates time and medicines to the County Health Department to be used for these in need.

MRS. KATHY SMITH - Mrs. Smith was nominated by the Three Seasons Study Club, where she is Treasurer and chairman of the Special Projects Division. She is the wife of Mr. Fred Smith, Jr., and they have two daughters.

Mrs. Smith is a member of the Elba United Methodist Church, is Church Secretary and counselor for Summer Day camp. She is a 4-H leader at the Elba Middle School, a homeroom mother, and served on the Halloween Carnival Committee.

She is Service Unit Coordinator for Elba girl scouts, was chairman of Story Hour at the Elba Public Library, and served as chairman of the Elba Cancer Drive.

MRS. CARRIE JACOBS - Mrs. Jacobs was nominated by the Pilot Club, and is vice president of that club. Her husband was the late Mr. Joe Jacobs, and they were the parents of seven children.

She is Management Analyst at the Directorate of Facilities Engineering at Ft. Rucker, and was the first woman to be chosen Civil Service Employee of the Year at Ft. Rucker for 1975. She is also coordinator of the Federal Women's Program at Ft. Rucker.

Mrs. Jacobs is a member of the First Baptist Church of Elba, teaches the Women's Class in Sunday School, and the Children's Class in Training Union.

She is a member of the BFW Club.

BY SCHOOL BOARD

Champion Named Coach

The Elba City School Board named Mac Champion of Homewood, Alabama, as head football coach at Elba High School for the coming year. Named to assist him is Sam Cooper, also of Homewood.

The School Board took the action Thursday night after several weeks of interviewing applicants.

About a dozen local citizens were present to hear the decision by the board members. The decision was made

after a recommendation by Superintendent Elmer Taylor who said, "We have 12 applications for the job, some real good ones." He continued with "Mr. Foley (high school principal) and I met with each applicant and discussed the entire program and our needs for a coach and a teacher."

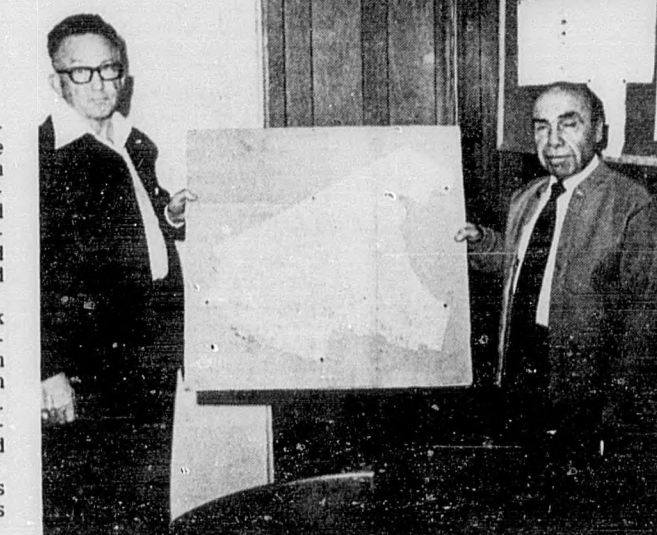

After explaining that several of the applicants had to be eliminated because their wives were teachers, and Elba had no openings for them and

reasons for eliminating several others, Taylor said, "We recommend Mac Champion who comes highly recommended by everyone I talked to, including his current superintendent who expressed disappointment that he wanted to leave."

Board member Fred Clark made a motion that the superintendent's recommendation be accepted and the motion was seconded by Ed Cooper. The motion was accepted unanimously. He will be hired on a 12-month basis.

Later another motion was made to hire Sam Cooper as an assistant coach.

Principal Lamar Foley gave the Board a lengthy report on the athletic fund and the shortage of money to operate high school athletics. Foley said that without the profits from the cookie machines, the outstanding bills for athletics would exceed \$7,000.

Rotary Speaker

Guest speaker at the Elba Rotary Club Monday was Mr. D. M. English, left. He spoke on the progress of the Elba Community Development project.

He also told the group of the success of a similar project in Ozark. In charge of the program was Basil Whitman, right.

School Board Plans Public Hearing

A public hearing has been scheduled for Tuesday night, January 27, 1976, at 7:00 clock, in the Conference Room of the Elba City School Board of Education, according to Elmer Taylor, Superintendent of Elba City Schools.

This is a special meeting with the Emergency School Act Act Advisory Committee and school personnel involved in the project.

All parents and other interested school patrons are urged to attend this meeting.

Voters Can Register Extra Days In Jan.

The Coffee County Registrar's Office announces extra days to register this month.

They are:

ENTERPRISE - January 19, 20, 21, 22 and 23 at the Courthouse.

ELBA - January 26, 27, 28, 29 and 30, at the Courthouse Annex.

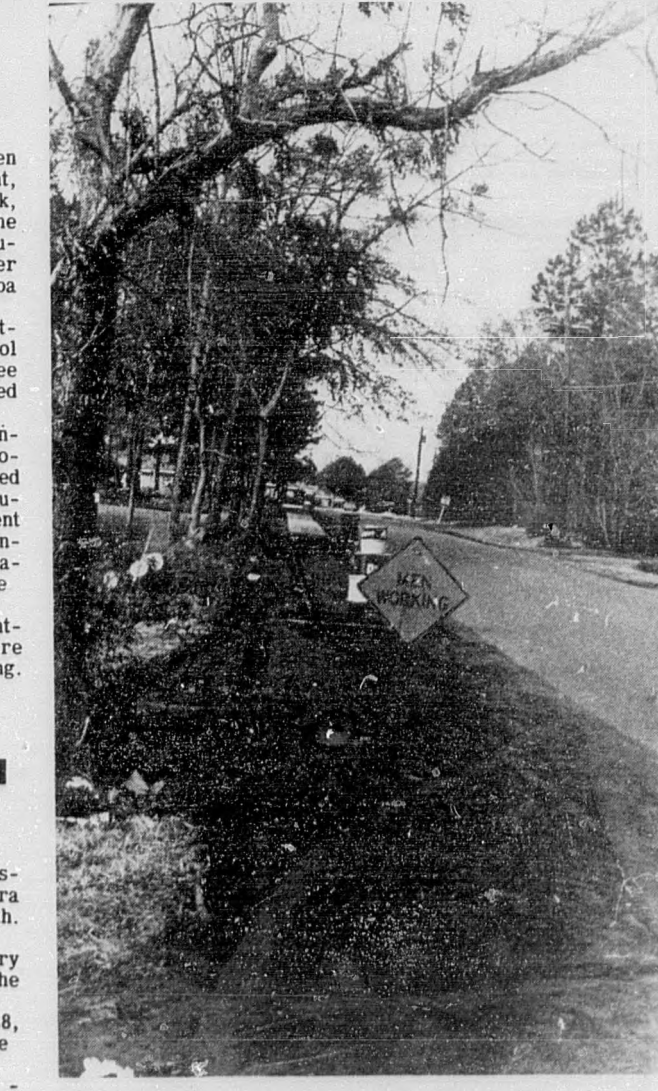

Hours are 9:00 a. m. - 3:00 p. m.

Mrs. Oggs Heads Heart Fund

Mrs. Marsha Oggs has been named Elba's City Chairman of the Heart Fund.

Mrs. Oggs asks that all Heart Fund area chairmen attend the organizational meeting on Monday, January 19, at 7:30 p. m. at the Big R in Elba.

This is a very important meeting," says Mrs. Oggs, "and I hope everyone will attend."

New Sidewalks Built

Above is a scene showing the construction of new sidewalks in Elba. It is part of a Community Development grant received by the City of Elba.

The sidewalk will extend to the Mullins Apartments and end up at the elementary school.
